

Dear USDSA,

Thank you for the new body armor that you donated to our agency. We are a small agency with a small budget. I was unsure how we were going to get new vests, as our old vests were going to expire in the near future. I was trying to work out the budget and the timing. I am a brand-new Chief and still trying to figure everything out. I was told by a fellow Chief of a small town, that USDSA gave away equipment to police, I was cautiously optimistic. I applied online for the vests that we so desperately needed. The next day, I received a phone call and heard the most amazing news, that we had been approved. Mike walked us through the process and was very clear about everything needed to receive the vests. I am still blown away by the generosity of your organization. Thank you so very much.

Sincerely,

Chief Shannon Seals

Carbondale Police Department
