To: United States Deputy Sheriff's Association

From: Will Gilbert, Carlisle County Sheriff

Reference: Equipment Donation

The Carlisle County Sheriff's Office would like to reach out to your association and say "thank you" for the equipment donation to our office. Carlisle County Sheriff's Office is a small office in Western Kentucky and funds for much needed equipment can sometimes be hard to find. Due to the generosity of your association we received (10) Z-Medica Belt Trauma Kits and (3) CMI Personal Breath Test Meters to help combat the growing problem of driving under the influence (DUIs). I was very pleased with how fast Mike processed the request and how fast we received the equipment. The US Deputy Sheriff's Association is a blessing to agencies such as ours and we applaud their efforts.

A handwritten signature in blue ink, appearing to read 'Will Gilbert', is written above the typed name.
