United States Deputy Sheriff's Association,

The Carter County Sheriff's Office is extremely grateful for the donation of 2 Flir Scout Monoculars. Our agency will be deploying these with our K9 units to utilize for lost persons and fugitive apprehension. I am confident that this equipment will prove greatly beneficial with the work that our K9 units perform. Again, thank you for your generous contribution.

Sincerely,

A handwritten signature in black ink that reads "JEFF MAY". The letters are cursive and somewhat stylized.
