Dear Mike Willis,

I am writing to express our deepest thanks for your recent donation to the Castleberry ISD Police Department. Generous gifts from donors like you provide the financial and moral support needed to continue our mission in providing the community we serve with quality policing.

Given our budgeting constraints, the Castleberry ISD Police Department looked for assistance and reached out to you. You promptly answered our calling, and without hesitation, donated a much needed ballistic shield.

Your donation immediately played a key role in our success in a recent call for service. The ballistic shield assisted in providing the officer added security, and assisted in diffusing a very hostile situation. There is no way to fully express our gratitude for your sincere donation. We at Castleberry ISD Police Department are continually inspired by the dedication and generosity of donors like yourself who answer the call to give again and again.

It is our hope that this small gift of a lapel pin will help to communicate our **very big thanks** for your generosity. We look forward to a continuing partnership with you.

Sincerely,

CASTLEBERRY ISD POLICE DEPARTMENT
