Dear Mr. Willis and Mr. Hinnners,

I want to express my sincerest appreciation for your generous donation of a new ballistic entry shield to the Castleton Police Department. The Castleton Police Department strives to maintain the safety of the Communities we serve. The opportunity to receive equipment through your organization, that budget constraints would not normally allow, is vital to the success of our Officers and the Communities we protect.

Officers of our Department would like you to know that we appreciate the support from your organization and the support you offer Law Enforcement Officer's and Agencies across the Country. Without organizations such as the USDSA, agencies would continue to struggle to provide proper safety tools needed to keep Officers safe and for that I will be forever grateful.

Sincerely,

Justin Szarejko  
Police Officer

Chief of Police
