Mike Willis  
U.S. Deputy Sheriff Association  
National Training Director

Dear Mike,

A BIG Thank you for providing the PBT and Tactical Flashlights for my officers. We are in the process of "re-building" and these items have help reduce the cost impact on a "small town" budget.

Attached, please find a picture of our team with their equipment. We conducted a training for the use of the items.

Thanks again for providing such an important piece of equipment.

Michael Brown  
Chief of Police

Cedar Bluff VA Police Department
