RE: Donation  
DATE: 01 JULY 2021

USDSA,

On behalf of the Chattooga County Sheriff's Office, I would like to thank you for the generous donation of the ballistic shield. The donation of the ballistic shield is greatly appreciated and it will be put in service immediately. This donation of this shield will provide much needed protection to our deputies on the high-risk warrant team when entering a potentially dangerous and life-threatening situation.

Thank you,
