Dear United States Deputy Sheriff's Association:

On behalf of the Chowan County Sheriff's Office and the citizens we serve, we would like to thank you for providing outer carriers and a ballistic shield to our agency. The ballistic shield will provide a higher level of safety for our deputies as we conduct and execute search warrants, as well as many other operations. The outer carriers are an invaluable tool that will provide adaptability and comfortability to our deputies while providing the necessary protection to the men and women of our office in the line of duty.

Chowan County is the smallest county in North Carolina by size. The donation you provided is priceless to a small budget, small county agency like ours. We are grateful for your responsiveness and diligence throughout this process. We truly appreciate your dedication and support of law enforcement and thank you for your support of our office and our community.

Sincerely,

A handwritten signature in black ink that reads 'E. Basnight'.

Sheriff Edward (Scooter) Basnight
