RE: Trauma Response Kits

Dear Mr. Willis,

On behalf of the men and women in our department who put their lives on the line every day, thank you for the generous donation of 18 Emergency Belt Trauma Kits. These kits can mean the difference between life and death in the case of an emergency in the field.

These kits have been placed in all our patrol cars in the field and on the roads. Our deputies are grateful to have these kits as am I.

Your donation and support of our department means a great deal. Thank you for your support of the Clarke County Sheriff's Office and our staff.

Sincerely,
