Dear USDSA Staff,

On behalf of the Cleveland County Sheriff's Office, I would like to personally thank you for the generous training equipment that was donated by your organization. We have received the training mats and striking pads for our new training room. These items will be utilized to train our deputies and detention officers on a regular basis. The valuable training and equipment will make us a much better office for the citizens of Cleveland County.

In addition, we applaud your organization for training law enforcement across the nation and doing so at no charge to the agency. We look forward to hosting the USDSA again in Cleveland County and wish you nothing but the best.

Thank you for your support!

Sincerely,

Sheriff Alan Norman
