United States Deputy Sheriff's Association
2909 South Spruce
Wichita, Kansas 67216

April 25, 2021

Mr. Mike Willis,

I along with my staff would like to personally thank you and the United States Deputy Sheriff's Association for the donation of twelve Emergency Belt Trauma Tourniquet Kits along with twelve firearm mounted flash lighting devices. Your donation will help our officers in the field to better serve the Town of Cohutta community each day. With the economic times being in dire straights at times, the officers with the Town of Cohutta Police Department appreciate any donations possible. Again, we can't thank you, your staff, and vendors enough for your generosity to make this donation come to fruition.

Sincerely,

Greg Fowler
Chief of Police
