FROM: Captain Tony C. Cotton

Dear Mr. Mike Willis,

On behalf of the Columbia College Police Department, we want to personally thank you, the United States Deputy Sheriff's Association, and the vendors who participated in providing the needed equipment for the department. Because of your recent generous donation to the Columbia College Police department, we can equip seven officers with trauma kits and will have two extra for new hires.

The College and the Police Department are grateful for the support you have provided to us. Your donations will save lives in the event of any emergency situation which may arise.

Once again thank you for your generous donations.

Thank you,

Captain Tony C. Cotton
