To USDSA,

It is with great pleasure that I write this letter. Through the equipment donation of the USDSA four of my officers have the latest in body worn armor. Small departments like the Cowpens Police Department operate on tight budgets and its programs like this that bless us beyond measure. I would like to thank everyone involved in this program for helping my department keep our officers safe. We are so grateful to have this program and I hope it thrives and continues to offer assistance to agencies in need.

Thank you,

Chief Danny Ray Swofford Sr.
