

Mike,

On behalf of the Town of Craigsville and the Craigsville Police Department i would like to offer our most sincere appreciation for your organization working to provide our agency with an additional ballistic vest needed for our officer. This will allow us to provide coverage for the citizens of our jurisdiction while maintaining officer safety. Small departments such as ours are forever grateful for the United States Deputy Sheriff's Association and their mission to provide agencies with the proper equipment to carry out their duties.

Again, Thank you for all you do!

Stay safe and healthy!
