Dear Mr. Hinners:

Thank you for your generous donation of Spike Strips and Flashlights to the Creola Police Department.

Your contribution gives officers two more tools so we can safely perform our duties. The spike strips will allow us to better assist other agencies in stopping vehicles who are running from Law Enforcement. The flashlights will help officers so we can see better at night.

We look forward to working with you in the future. On behalf of all of us at the Creola Police Department thank you.

More importantly, the community we serve thanks you for your generosity.

Respectfully submitted,

Don Crooks
