United States Sheriff's Deputies Association,

The Custer County Sheriff's Office would like to thank you for the \$5,000 cash grant. The money rewarded in the grant has been used to purchase and update our tasers. The tasers which we were carrying were out of date and needed replaced.

The United States Sheriff's Deputies Association has helped us in the past with updating our out of date ballistic vests. Again, The Custer County Sheriff's Office cannot thank you enough for the donation and grant.

Sincerely,

Sheriff Stu Lumpkin

Chief Deputy Justin Mitchell

Sergeant Crissi Gilchrist
