Mr. Willis,

On behalf of the men and women of the Del City Police Department, I would like to thank you for the generous donation of 25 trauma kits for our agency.

Like most smaller agencies, we struggle to secure funding for some equipment and with the rise in officer line of duty deaths across the country, the ability to provide officers with these potentially life-saving tools is more important than ever.

Many of the trauma kits have already been issued to our officers and are being used in the field. I greatly support the USDSA in helping our agency with this equipment and your support of law enforcement across the country.

Sincerely,
