Mr. Willis and Mr. Hinnners:

Thank you for your sending the cards signed by supporters of law enforcement. The men and women who courageously serve the residents of Denver during these uncertain times appreciate it more than you know. To see that there are people out there who would take the time to personally sign a card of support is very touching and gives added value to their work. Your continued support of law enforcement is a blessing.

Sincerely,

Paul M. Pazen
Chief of Police
