

Mike Willis,

I just wanted to take a moment to thank you for the belt trauma kits you supplied to the Pottawatomie County Sheriff's Office. I recently responded to a call where an individual had cut his arm. The cut was just below the elbow and was to the bone. I applied my SWAT T tourniquet to the upper arm. I was told the ER doctor and Flight Medics both commented about the tourniquet and credited it with saving his life.

Thank you for your generous contribution to our department.

Sincerely,
Deputy Eric Martens
