THANKS FOR BACKING
 US UP! JD #497

The numerous individuals and families that took the time to express their appreciation and overwhelming show of support for law enforcement was a welcome surprise and really means a lot. What an amazing undertaking on the part of USDSA to organize this, we are impressed to say the least. Thank you for the tourniquets and combat gauze, imperative items we are happy to provide our officers.

We greatly appreciate all
 the support!
 Chris Roper
