United States Deputy Sheriff's Association (USDOSA)  
2233 S. West St. Ct.  
Wichita, KS 67213

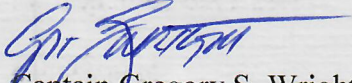

Mr. Willis,

It was a pleasure receiving a package from your association today. The combat gauzes, thank you cards, and handcuff keys are very much appreciated; Thank You!

We posted several of the "Thank You" cards up on our bulletin board for all employees to see. The combat gauzes were placed in our medical bags and we rewarded our top 9 officers (who have made the most arrests during the past 12-months) with a new the handcuff key. Smiles everywhere.

On behalf of my Chief of Police (Alan Lowrey) and the members of the Easton Police Department, please accept our shoulder patch as a visual reminder from those who are truly appreciative of your association's efforts and outreach.

Respectfully,

  
Captain Gregory S. Wright  
Deputy Chief of Police
