

Edcouch Police Department

"Your safety is our concern"

To whom it may concern,

I want to take this opportunity to express my sincere thanks to everyone at the United States Deputy Sheriff's Association for donating the Edcouch Police Department the equipment we need to continue serving and protecting our community. From the bottom of all our hearts here in Edcouch PD, WE ARE SO THANKFUL! A special thanks to Mike Willis for making sure our request got heard out so we could receive this assistance. Thank you to everyone!

Sincerely,

Chief of Police
Juan Quintana
