To: United States Deputy Sheriff's Association

Myself along with the entire department here at Electra Police Department wish to thank you for the donation of the FLIR Unit. This piece of equipment will greatly help this department in crime fighting and other endeavors here in the City of Electra. Your organization is a great organization in helping Agencies get equipment that is desperately needed and not able to acquire without your organization. Agencies such as Electra PD that is a small Agency with very limited funds.

Again, I and the Electra Police department **THANK YOU!!**

Signed,

Chief of Police
