To Protect and Serve

1505 South B Street

Elwood, IN 46036

Phone 765 642-0221

Fax 765 552-8370

The City of Elwood and the Elwood Police Department would like to thank USDSA for their generous donation of 11 rifle plate kits. These kits will protect the officers with their daily duties. Without the help of the USDSA our department would have to function without the vests putting our officers at greater risks for injury.

With great respect,

The officers of the Elwood Police Department.
