

Sierra and Mike,

I would like to sincerely thank the United States Deputy Sheriff's Association for getting the Enid Public Schools Campus Police Department a Paraclete Ballistic Shield. We are a four-person police department charged with protecting eighteen campuses, the high school alone has almost twenty-three hundred students. Before your gracious donation we were defenseless in an active shooter situation, but now that we have the Ballistic Shield I feel that my Officer's and the administration of our school system feel safer and better protected in the event of the unthinkable. Your program is top notch and I salute you and everyone in your organization.

Thank you,

Jason A. Priest – Director of Safety and Security for Enid Public Schools
