Dear Friend,

On behalf of Victim Support Services, in partnership with the City of Everett, we express a heartfelt thank you for your kindness in remembering Officer Dan Rocha through your generous donation to the Dan Rocha Memorial Fund. Your thoughtfulness and generosity are much appreciated by the Rocha Family.

A special note from Chief Dan Templeman, Everett Police Department:

The entire Everett Police Department wishes to thank you for your donation to the Officer Dan Rocha Memorial Fund. Losing one of our team members was tragic and impacted our entire department, but the support and kindness shown by community members such as yourself has been truly humbling.

With Gratitude,
