Dear USDSA,

On behalf of the Farmington Police Department, I wanted to thank you for your generous donation of the Ballistic Shield. Access to safety equipment such as this will drastically improve the safety of Farmington officers.

With the addition of your donated shield, Farmington officers will be able to train and be ready for the worst possible scenarios.

The shield will be used to protect our schools, surrounding schools, businesses, and local residences from an unfortunate incident. Because of your organization the City of Farmington is safer and ready to act at a moment's notice.

We hope to foster a great relationship with your organization.

Thank you,
