

To Our Friends at the U.S. Deputy Sheriff's Association!

On behalf of the Fayette Co. Constable's Office - District 1 in Lexington, KY, I want to thank the United States Deputy Sheriff's Association for their donation of Drug test kits to our office. These test kits will be a useful tool for my deputies and myself in the field to identify substances that we encounter. As a small department that does not receive tax dollars from the county or state, we rely on generous donations like this one to be able to perform our duties adequately and effectively. Without your donations to departments like ours, we would be left without much needed resources. The USDSA has also been a great source of training in the past for Constables in Kentucky and we thank you for that as well. Once again, thank you so much for your generous donation!

I have attached a photo of myself & Capt. Tony Coffey with the drug test kits that were donated.

Sincerely,

Constable Wade A. McNabb
