

The Franklin County Sheriff's Office was honored to be the recipient of a grant from the US Deputy Sheriffs Association. We utilized the funds to purchase TVI (Tactical Vehicle Intervention) bumpers for some patrol vehicles. As we all know, vehicle pursuits create a dangerous situation for our Deputies, suspects, and the public at large. Being able to end pursuits safely, through the use of TVI tactics, helps keep everyone safer. Having this equipment on our vehicles makes the TVI tactic much safer for those involved.

Due to limited budgets, it would have taken us several years to be able to purchase these bumpers for all of our vehicles. Your generous grant has helped us get this needed equipment and allows us to work safer. Thank you so much for awarding us this grant! It is greatly appreciated.
