BRAD PFLUEGER, CHIEF OF POLICE

February 2, 2023

The United States Deputy Sheriff's Association,

On behalf of the Fredonia Police Department, I would like to extend my sincere gratitude and say thank you for the donation of four Point Blank Ballistic vest. My officer's and I are incredibly grateful for your donation to our department. As a small-town police department operating on a very limited budget, it can be a difficult task to provide officers with the updated equipment required to safely perform their duties. Your generous donation will help us move forward in the performance of our duties, and provide our officers with up to date lifesaving equipment used on a daily basis.

Once again, I would like to say thank you, and look forward to a continued partnership with The United States Deputy Sheriff's Association.

Respectfully,

Bradley Pflueger
Chief of Police
