Director Hanners:

On behalf of the Garden Grove Police Department and the family of Lieutenant John Reynolds, I wanted to take this opportunity to acknowledge and thank you for your condolences and support.

The department received numerous condolences for the loss of Lt. Reynolds. It amazed us all to see the outpouring of support. It truly is a Law Enforcement family and although we may not know one another, we felt the support.

It is always difficult to lose an officer in the line of duty, Lieutenant Reynolds was a great cop, and an even better man. He cared about this community, with special attention focused on the youth of our City. He would not want any pomp and circumstance for his passing. He would want people to carry on and move forward.

Once again, thank you for your support and condolences during this very difficult time for our Department. Know that your communication was shared with the Department and the family of Lt. Reynolds, and is appreciated.

Sincerely,

Tom DaRé
Chief of Police
