Mike Willis

First off let me offer my apologies for taking so long to say thank you for the grant to purchase equipment. The funds were used to purchase replacement in car computers with docking stations. I was told by the company that our docking stations would work only to find out they would not and had to order the correct ones which took longer than expected to receive. We also order two Glock Gen Five's MOS, Two Venom Red Dot Sights, Two TLR-1 Streamlight Pistol Lights and Two Safariland Holsters to fit the weapons. If it wasn't for your generous grant the purchases would not have happened due to tight budgets. Again I would like to say thank you.

Sincerely

Robert G Sharp, Chief
