131 W 5<sup>th</sup> Ave, Garnett, Kansas 66032, Phone: 785-448-1641, Fax: 785-448-0088

United States Deputy Sheriff's Association,

We want to thank you for the donation of a ballistic shield to our department. It seems armed persons are an everyday threat and with this shield, you have enabled us to better defend and protect not only ourselves, but our community.

Since receiving the shield, we have held a department training where the shield was utilized to better familiarize members of the department with its uses. Attached are a few photographs of the training where the shield was implemented. Our department has already implemented the shield into our policies and procedures for events such as active shooters, barricades, suicidal subjects, and building clearing just to name a few.

With being an 8-member department, budgets restrict what we can do. Through your generous donation, we can continue to provide the absolute best protection for our community and its members.

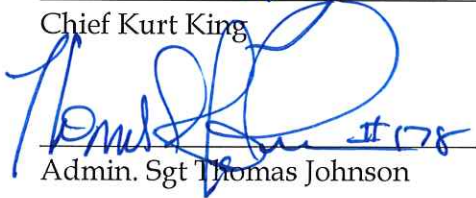

Thank you again for assisting in our commitment to keep our community safe.
