Dear Mr. Willis,

Thank you for your generous donation of Ballistic Vest, Tactical Flashlights, Traffic vest, and PBTS to the Garrard Co. Police Department.

The equipment has helped our department get on our feet and each and every officer has shown great appreciation for the donations. Your contribution makes it possible for us to begin each shift with the proper safety equipment.

We look forward to working with you in the future. We at the Garrard Co. Police Department thank you for your generosity.

Sincerely,
