

The Geneva-on-the-Lake Police Department recently acquired some new equipment which was donated by the United States Deputy Sheriff's Association. Our department received individual trauma kits for our officers, spike strips and a ballistic shield. These items will greatly improve our department's response to critical incidents within our Village and assist in keeping our officers and residents safe. Thank you to the USDSA for your generous donation and your continued efforts in assisting law enforcement agencies throughout the country.”

Thank you again for your donation, if there is anything else I can do please let me know.

Chief Cawley  
Geneva-on-the-Lake Police
