RE: Body Worn Trauma Kit Donation

Dear Mr. Willis and the United States Deputy Sheriff's Association,

The Village of Geneva-on-the-Lake Police Department recently received a donation from the USDSA of ten body worn trauma kits for our officers. As a small tourist town, with over 1.2 million visitors a year, the donation of these body worn trauma kits will greatly assist our response and effectiveness in the event of a critical incident involving our officers, residents, or tourists. Being a low budget agency, with a rebuilt regime, this donation and your previous donations have given us many tools that we would otherwise be likely to go without. Thank you and your organization for providing us with resources to help keep our officers and community safe and for your efforts to assist law enforcement nationwide.

The value of the work you do for small and underfunded agencies cannot be put into words.

We have also posted a photograph and a thank you to the USDSA on our GOTL Police Department Facebook page.

Respectfully,

Kyle Cawley  
Chief of Police

---
