*Dear United States Deputy Sheriff's Association,*

*Thank you very much for your donation of the three spike strips and the training unit. The equipment donated will benefit our agency so much and strengthen our ties with surrounding agencies. It also is a great tool to potentially stop a violent criminal and save one's life. Geneva on the Lake Police Department is truly blessed with your donation and will spread our appreciation of your associations act of kindness via our social media platform and in our next council meeting.*

*Thank you again and stay safe,*
