United States Deputy Sheriff's Association

Re: Trauma Belk Kits

Dear Mr. Willis,

I am sending this letter to express our heartfelt thanks for the gift of 50 trauma belt kits that the United States Deputy Sheriff's Association (USDSA) was kind enough to donate to the Glynn County Sheriff's Office. We are most grateful for the generosity extended to us by the USDSA and the depth of understanding your organization has for the needs of the many Sheriff's Offices throughout the Nation. We know you can appreciate the fact that many of the Sheriff's Offices have limited funding for such vital lifesaving equipment and supplies.

We have attached an electronic image of our Sheriff and Undersheriff with a few of the trauma belt kits and authorize you to use them in publications and any other communications to help raise money for such worthy causes.

We wish you and the organization the very best in finding willing donors who can help sustain the USDSA in this most important work. Please call on us if we can ever be of service to you and the USDSA.

Sincerely,

A handwritten signature in blue ink, which appears to read "E. Neal Jump". The signature is written in a cursive style and is positioned above the typed name.

E. Neal Jump,
Sheriff
