JON HAYDEN - SHERIFF

April 13, 2021

United States Deputy Sheriff Association
2909 South Spruce
Wichita, KS 67216

We want to take a moment to personally thank the United States Deputy Sheriff Association for the donation that was made to our department of four ballistic helmets, a ballistic shield, tourniquets and combat gauze. The helmets and shield will be used to help protect our deputies in crisis and emergency situations and the tourniquets and gauze will be used to treat injuries to deputies and to others in serious injury situations.

These generous donations not only help keep our deputies and citizens safe but they are a great help for our agency that we did not have to purchase them with funds from our budget. Thank you all again for the equipment that you donated to us and also for the signed thank you notes you sent to distribute to our deputies. We are so thankful for the United States Deputy Sheriff Association.

Sincerely,

Jon Hayden
Sheriff
