

I wanted to take a moment to thank the USDSA for the wonderful package we received last week! The QuikClot & handcuff keys are always needed and much appreciated ... and the Thank You cards humbled our agency. How easy it is to forget how many citizens actually support law enforcement and the difficult jobs we do. The small percentage of the population that we “deal with” stand beside the negative media rhetoric and it quickly becomes what we believe is the “norm”. It is nice to see all the names of people that trust in us to protect and serve them!

Thanks again,
