RE: 16 Emergency Belt Trauma Kits

Dear Mr. Mike Willis the Greenwood County Sheriff's Office Community Services Division/ School Resource Officer Program would like to Thank- You for providing sixteen Emergency Belt Trauma Kits. The Greenwood County Sheriff's Office School Resource Officers train on a regular basis any Active Shooter Trainings they have attended. They have been through the stop the bleed trainings through SLED Homeland Security (Wayne Freeman). Each School Resource Officer has taught teachers counselors and others in the schools how to assist in stopping the bleed in a crisis. These kits will be an asset to each one of them. We will provide photos of our next training with each School Resource Officer using these kits in the trainings as you requested. Again on the Greenwood County Sheriff's Office behalf we would like to thank your agency for providing this free equipment for our Greenwood County Sheriff's Office School Resource Officers.

Sincerely,
