RE: Donated Equipment

The Harrisburg Police Department would like to personally thank the United States Deputy Sheriff's Association for the much needed and appreciated donations of the FLIR Scout TK and the 7 Emergency Trauma kits. Our police department has already put some of these great resources to use. The Officer pictured utilized his emergency trauma kit last week on a severe dog bite call. Detective Cook was extremely appreciative to have been able to have this kit for usage in Emergency situations. Our department is forever grateful that the United States Deputy Sheriff's Association was willing and able to give our officers this equipment. Thank you to all those involved.

Thank You
