The City of Hart Police Department recently received a grant for 8 SLI Stinger LED Flashlights with AC/DC chargers from the USDSA equipment donation program. The flashlights were issued to our department officers to allow them to effectively and safely investigate traffic stops and various complaints which are generated during our night time patrol. The bright illumination of the purchased flashlights will assist with identifying potential weapons and contraband

Sincerely,

D/Sgt. K. Skipski, SRO
