Dear Sir,

The Hartford Police Department would like to thank you and the US Deputy Sheriffs Association for your recent donation of a ballistic shield. As you know, Officers frequently get called to situations which can change rapidly, sometimes involving weapons and put Officers at increased risk. Giving front line Officers the tools to keep them safe, such as a ballistic shield is critical to their mission and safety. We greatly appreciate your help and support with this donation.

Sincerely yours,

Chief Robert Cormier  
Interim Director of Police Services
