

# Hawk Cove Police Department

The Hawk Cove Police Department thanks the United States Deputy Sheriffs Association for the generous donation of **11 Emergency Belt Trauma Kits, 11 Tactical Flashlights** and **3 Vehicle First-aid Kits**. These items will help us in our daily activities as we serve and protect our community. As a small police department with little to no budget and mostly reserve officers, we have managed to stay afloat and continue to be able to serve our community because of our dedicated staff. Every officer in our department has had to supply everything from their uniform, duty weapon and gear, all the way down to their boots. Most officers have also contributed by buying out of their own pocket things we use daily. It is because of these dedicated officers and people like yourselves that provide greatly needed and appreciated donations to us. Once again, we all wish to thank you for this generous donation.

From all the staff and officers of Hawk Cove Police Department Thank You!
