Dear Mr. Willis,

On behalf of the Officers and Command Staff of the Hayden Police Department, I would like to thank the United States Deputy Sheriff's Association for the equipment donation of a FLIR Scout TK outdoor thermal vision monocular.

To paint a picture of the area Hayden Police Department services, it is about two miles square with two towns. Being that the towns are rural with about a 1,000 population, we also patrol rural desert. The thermal vision monocular will assist our officers in searching for suspects but also for use on accident scenes, search and rescue and whenever needed, assisting other agencies.

I cannot express enough the appreciation for the assistance USDSA provides to agencies that are struggling with budget issues, like ours. Please keep up the good work!

Respectfully,
