

All of us here at the Henderson County Sheriff's Office would like to thank you and your organization for their generous donations. We received 10 vehicle first aid-kits, 12 emergency belt trauma kits, 1 CMI model 500 PBT, and replacement straws. These items will help ensure the safety our Deputies and combat impaired drivers and underage consumption. With today's world and media's bad press, it can be dragging on Officers. It is nice to know there are people like you and your organization that support us and what we do. We have handed the items out to our Deputies and each one wanted us to say "thank you" for them, so THANK YOU!

Stay Safe,

Chief Deputy Matthew J. Link
