Hill City, KS 67642

Dear Mr. Mike Willis,

The Hill City Police Department would like to express our gratitude to Mike Willis and everyone at the United States Deputy Sheriff's Association for their generous donation of a Ballistic Shield to our agency. This equipment donation ensures our officers with extra protection in volatile situations may they arise.

Without entities like yours, many departments would be deprived of the many programs for training and equipment. With the help of you and your amazing group of donors, officers like ours can strive and protect our communities with better resources and up to date tools. The ever-changing public view of law enforcement can be disheartening, therefore having people like you and yours on our side gives all of us hope and we can keep fighting the good fight.

We look forward to building an even better relationship with the USDOSA. Hill City appreciates you!

Thank you!

A handwritten signature in blue ink, appearing to read "Cory Romanowski". The signature is fluid and cursive.
