Christopher M. Kambish
Sheriff

United States Deputy Sheriff's Association,

On behalf of my staff at the Hinsdale County Sheriff's Office, we would like to thank you for the donation of a Paraclete Hoplite ballistic shield. The acquisition of this piece of equipment, at no cost to us, is a huge blessing to our small, rural office. This shield provides us with one more tool for our office to conduct high risk operations while giving us another layer of protection. Be assured this shield will be a useful tool for years to come.

The USDSA was a pleasure to work with and they made sure the process was simple, with no strings attached. Thank you, again, for your support of law enforcement officers across the United States.

A handwritten signature in dark ink, appearing to read "Chris Kambish". The signature is fluid and cursive, with the first name "Chris" and last name "Kambish" clearly distinguishable.
