

Mike,

My agency would like to thank you for the recent donation of the ballistic vest to the Humansville Police Department. With smaller agencies facing budgetary issues it's good to know that the USDSA is willing and able to provide one of the most fundamental pieces of officer safety equipment. As I enter my 10th year of law enforcement I can personally reflect back to my first year as a Deputy Sheriff in a rural county and after completing the field training program and having to face a shooting situation of my own. While I was shot at several times by a person under the influence of drugs, fortunately I was not hit and over the next several hours was able to resolve the situation. Deputies and Officers face this sort of risk every day in all aspects of the job. We are truly thankful for this donation.

Sincerely,
Devin Clark
Chief of Police
Humansville Police Department
